Tasks TRNG229a and TECH271a

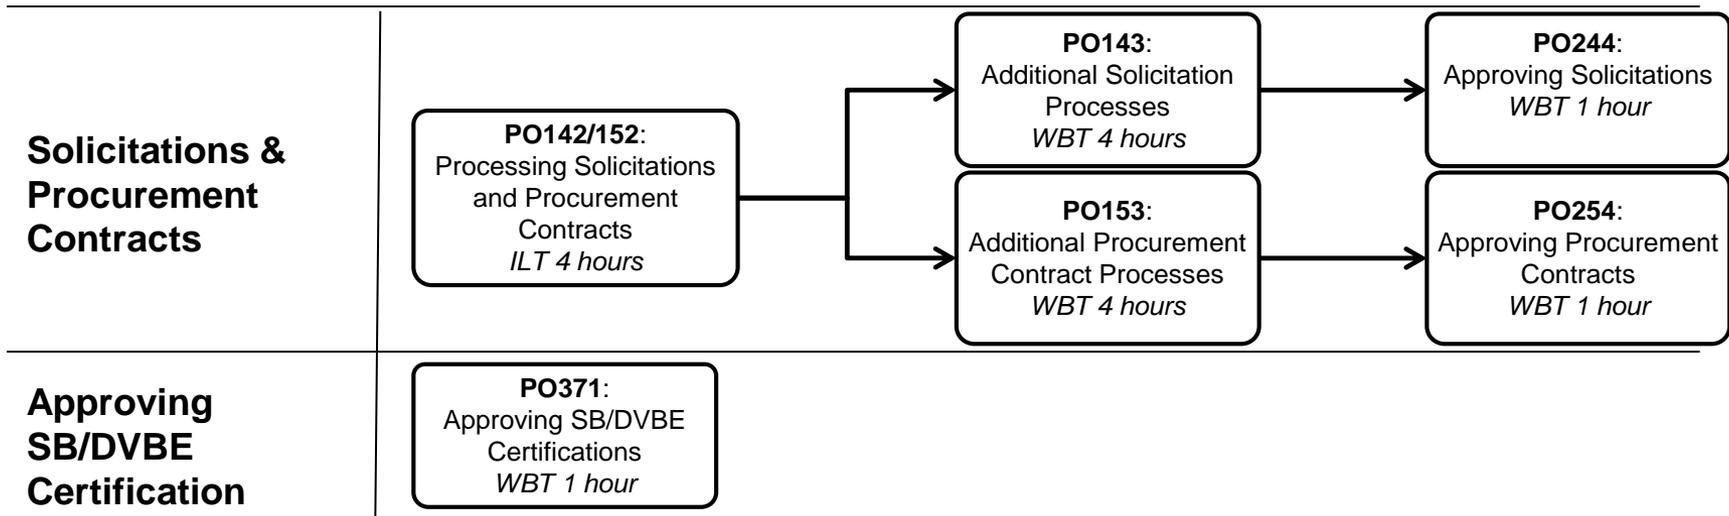

- TRNG229a
 - This task is for Training Liaisons to register core users by Friday, October 30, 2015. After that, secondary and Wave 4 Super Users will be able to register on a first-come, first-served basis.

- TECH271a
 - This task gives departments an additional opportunity to update role mapping for Wave 2 Fall Release roles. The response templates were to be submitted by a Departmental Authority or an authorized Designee (DAD) by the due date.

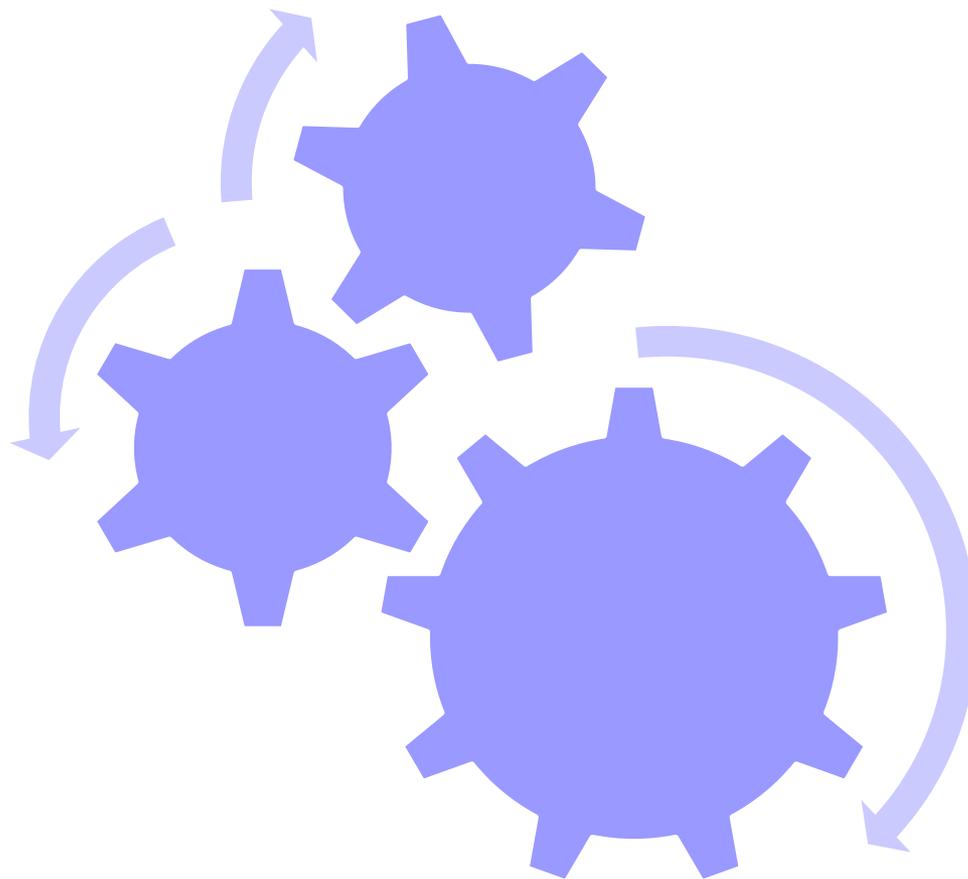

Training Delivery Methods

- Core users will be able to register and complete PO142/152 through one of the following three delivery methods:
 - **Instructor-Led Training (ILT):** Course that requires core user be physically present on site in a FI\$Cal training class during an offered session time.
 - **Virtual Instructor-Led Training (VILT):** Course that is delivered in a virtual environment where core users view the course online as it is presented by an instructor in another location.
 - **Web-Based Training (WBT):** Course offered online through the FTA where core users may take the courses at their convenience and at their own pace.
